Dear Parents/Guardians,

Donation Drives

As character development is a part of students' holistic learning, our school has lined up a variety of activities to foster different values in our pupils.

To foster the value of care and compassion for the needy and less privileged in our society, we will be organising a food donation drive in term 1 and a toy donation drive in term 4.

The 2 events are collaboration between our school with Food From The Heart (FFTH), a charitable organization. FFTH works together with the neighbourhood resident constituencies and schools to help needy families in financial difficulties by providing them with food items. FFTH also organises an annual "toy buffet" for the less privileged children. Supporting these events will give our students an opportunity to empathize with the less fortunate among us.

The details are as follows:

Event	Date of collection	Suggested items to be collected
Food donation drive	23/1/2017 --- 10/2/2017	<ul style="list-style-type: none"> -rice -cooking oil -condensed milk -canned food -biscuits -instant noodles -milo powder -rice vermicelli <p>*Non-perishable food items *Must be at least 3 months before its expiry date</p>

In order to achieve the objective of these projects, we would require your strong support. A little contribution will go a long way to help this group of families.

We look forward to your support.

Yours sincerely,
