P3 HortPark Learning Journey

Dear parent/guardian

The P3 pupils will be visiting the HortPark, The Gardening Hub to learn more about plants and gardening with the context of urban Singapore in mind. By engaging their sense of sight, touch and hearing, pupils will learn how gardening in urban Singapore can take place within the limited spaces (especially land area) that we have. Through reflection, pupils will make links to their own way of life and develop an understanding of how they can construct a garden in their own homes and schools.
