Intro & Notes

What is snaapp?

snaapp is an app with many functions, which includes attendance taking and notifications capabilities. It acts as the communication platform between school and parents.

snaapp allows parents to have first-hand updates of their children.

For attendance, please note that parents will only receive notifications in the event their child is late or absent.

Note

Parents who do not have snaapp (eg. No smartphone) will miss out on the following:-

- Receiving photos
- Reply to teacher/school
- Ease of updating the school their contact details

For technical assistance, email to snaapp@mggsoftware.com or call 6815 1210

For other matters, please contact the school. General Office: _____
