

EXPERIENCING WGPS

TERM 2 WOODGROVIAN EXPERIENCES

In Term 2, our P5 Woodgrovians had a highly enriching experience engaging in a wide range of activities. They wholeheartedly embraced the values of empathy by preparing essential supplies for migrant workers on International Friendship Day. They developed an appreciation for different cultures by decorating their classroom in celebration of the Hari Raya Festival. Throughout Camp A.C.E (Aspire, Contribute, Enriching Lives of Others), our Woodgrovians learned the importance of teamwork and strengthened their social-emotional skills through the activities planned such as detective game and customised bowling games.
