

EXPERIENCING WGPS

TERM 1 WOODGROVIAN EXPERIENCES

Our Primary 3 Woodgrovians had the opportunity to select their level mascot to strengthen their level identity. 'Galacti the Cat' – the mascot, was a unanimous decision made by the P3 Woodgrovians. The P3 had fun deliberating with their teachers and finally deciding the level mascot, strengthening their critical thinking and communication skills. The mascot, which has 'Super Agility' as one of its super powers, embodies the collective level vision that they desired to be. They were also actively engaged in creating their level cheer. They were given an ice cream treat when collectively, they managed to unlock the first level of attainment. This process has inspired them to be their level best! Other highlights of the level included their P3 Orientation, where they were engaged in activities to strengthen their social and emotional competencies. The level was introduced to the iGROW Book to guide them in translating their values-driven education into habits and practices. They also had a fun time celebrating Lunar New Year with their schoolmates and appreciating the Chinese culture.
