

Experiencing WGPS

Term 2 Woodgrovian Experiences (P4)

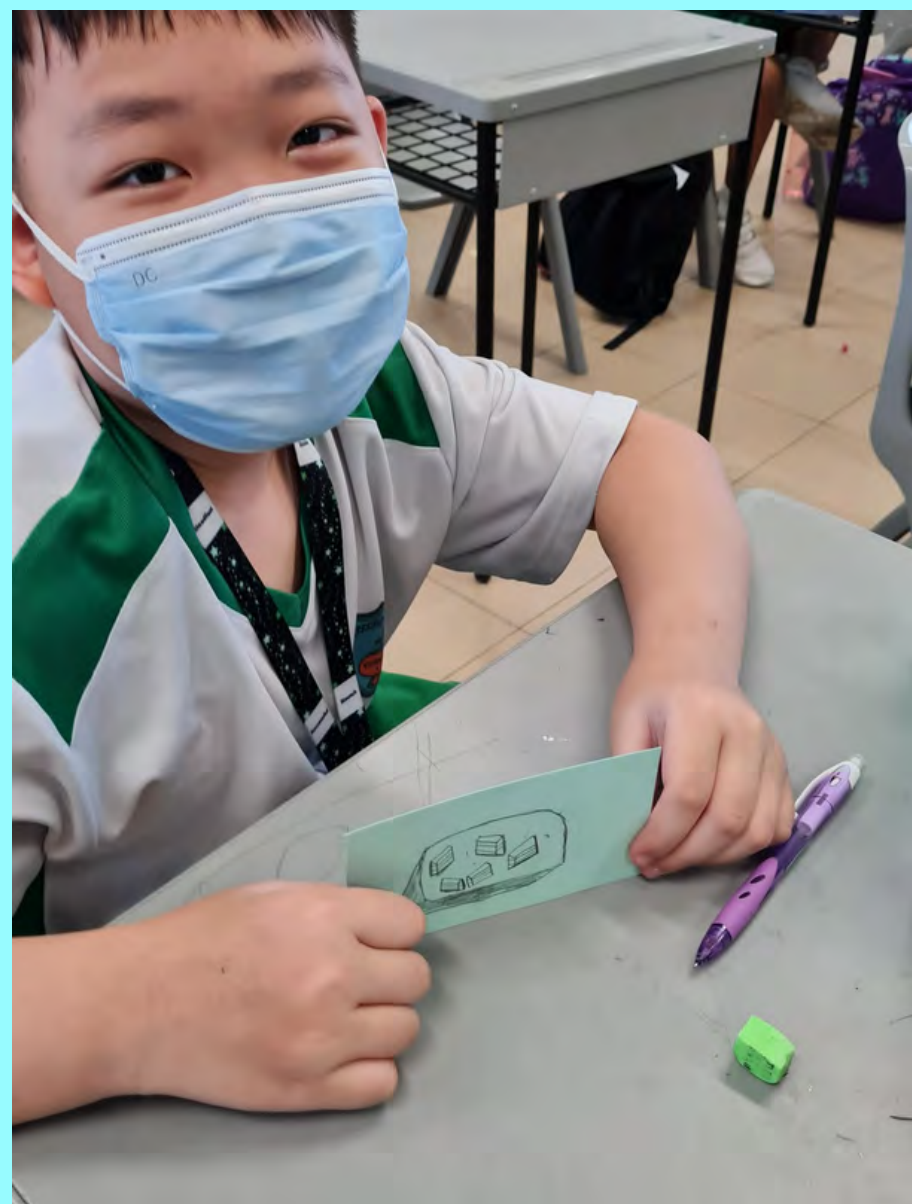

Our P4 Woodgrovians had the opportunity to experience fun and enjoyable activities in Term 2. Some of the activities include packing of essential items for the migrant workers in conjunction with International Friendship Day, making a collage for Hari Raya event and Growth Mindset activities such as learning about growth and taking steps to achieve our intended goals. Our Principal, Mrs Ng also provided colourful wristbands bearing Growth Mindset motivational quotes for the students to continue with their positive effort. Here's to a great Term 3!
